EUMM GEORGIA**

**CLARIFICATION NOTE N° 1**

**With reference to the above-mentioned tender procedure, please find below questions raised by prospective bidders and corresponding answers given by the  
EUMM**

<b>N°</b>	<b>Question</b>	<b>Answer</b>
1	Would you consider offering an alternative brand as well?	<p>EUMM implemented very complex security solutions with the Palo Alto Networks firewalls and upgrading firewalls maintains compatibility within the existing network configuration, minimizing disruption and reduce costs for the hardware replacement. This continuity ensures a smooth transition while leveraging the latest security features offered by Palo Alto Networks firewalls, maximizing network cybersecurity protection, and optimizing performance with our established setup.</p> <p>We kindly asking to offer the Palo Alto Networks firewalls to replace the End-of-Life hardware.</p>
